The Clay Studio of Missoula/University of Montana Summer Residency Opportunity

The Clay Studio of Missoula invites current students or recent graduates* of the University of Montana with experience and an avid interest in ceramics to apply for our Summer UM Residency.

For roughly 3 months during the summer (late May-late August), the UM Resident will work in the community studio space, which consists of shared general studio area, and be given shelf space to store work and supplies. For the general public, this usually costs \$150/mo plus an annual membership, but all these fees are waived for the UM Resident.

- All residents have 24/7 access to the facility
- UM residents will have the same obligations as other residents (studio and gallery duties up to 5 hr/wk, plus create six cups and plates for our Summertime High Tea fundraiser in late August 2023)
- All residents are responsible for material expenses and firing fees
- The UM Resident will be asked to assist with Summer workshops**

There is no application fee for the UM Student Residency. Applicants must complete the application form and include other documentation listed on the application form. Applications are due no later than **Tuesday April 2, 2024**

All applicants will be notified of results no later than the end of April.
